Subject: MCIA Brownfields Coalition NCTE

Dear Mr. Wahler

This amendment extends the project period and budget period expiration dates to December 31, 2017 as requested in your letter dated June 7, 2016, as revised via e-mail on December 13, 2016. Please note that on February 6, 2017, the EPA Director of the National Policy, Training and Compliance Division approved a waiver that allows this project period extension. However, no further extensions will be granted to this agreement. The additional time will allow for the continuation of work under this agreement and the recipient must demonstrate sufficient progress during the extension period. All other Administrative and Programmatic Conditions remain unchanged and in effect. There is no change to the amount of funds awarded or the scope of work under this agreement.

Please note that EPA has eliminated the requirement for recipients to submit a signed Affirmation of Award for assistance agreements. An assistance agreement recipient demonstrates its commitment to carry out the award by either: 1) drawing down funds within 21 days after the EPA award or amendment mailing date; or, 2) not filing a notice of disagreement with the award terms and conditions within 21 days after the EPA award or amendment mailing date. Please see the "Notice of Award" section of the agreement for more information. Due to this change, you are not required to sign and return a copy of the attached agreement. However, if you wish to file a notice of disagreement with the award terms and conditions, you must email your notice to Region2_GrantApplicationBox@epa.gov.

All email attachments must be sent in pdf format. Documents emailed to us in any other format cannot be accepted.

Sincerely,
